1. Introduction

This cookie policy describes how we at Grundia AB, corporate identity number 556802-3401 ("Grundia AB", "we", "our" and "us"), with the address Neongatan 5, 431 53 Mölndal, use "cookies" on our website.

If you have further questions or concerns about our use of cookies, you are always welcome to contact us at the address above or via legal@nordiskbergteknik.se

For questions regarding this policy, please contact the Company's IT-responsible.

2. Our use of cookies

A cookie is a text file that is saved on your browser or device. We use both permanent cookies (which are stored on your device for a certain period of time) and session cookies (which disappear from your device when you close your browser). The cookies we use can also be first-party cookies (placed on your device by us) or third-party cookies (placed on your device by third parties).

We use cookies to analyze visitor traffic and to monitor the frequency of visits to our website, as well as to improve the functionality of our website, e.g., to customize your user experience and remember information you provided to us when you visited our site.

Below is a summary of our use of cookies:

Type of cookie used	Purpose of use	Storage time

3. You can control settings in your browser

You have the option to control settings in your browser regarding the use of cookies. For example, you can turn off the ability to place cookies on your device or set the browser so that you get a question every time our website tries to place a cookie on your device. You can also review which cookies have been used and ensure that previously-stored cookies are deleted.

Your browser's help pages provide more information on how to use your browser settings to customize the use of cookies.

Please note that the functionality of our website may be limited if you choose not to accept the use of cookies.
